

Prepare students who plan to be sexuality educators and administrators

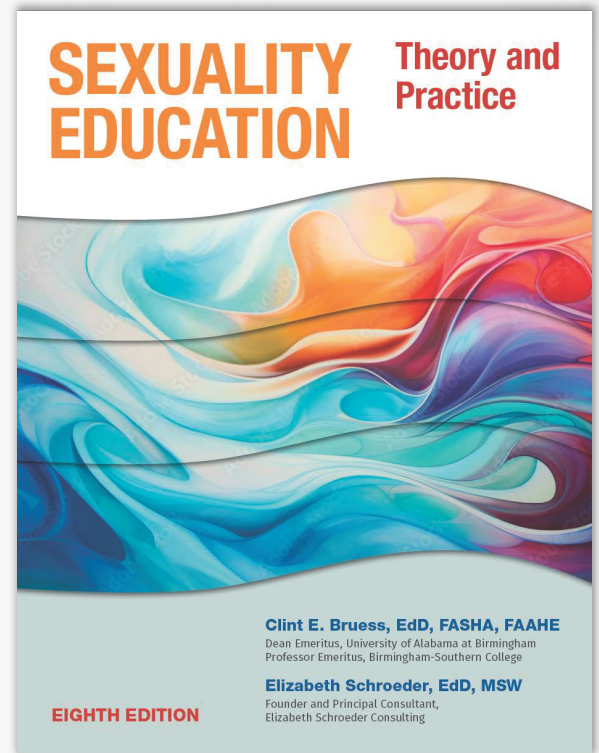

Sexuality Education: Theory and Practice, 8th Edition

by **Clint E. Bruess** and
Elizabeth Schroeder

This informative and up-to-date textbook prepares sexuality educators and administrators to confidently teach children, youth and adults about human sexuality. It's also a helpful resource for seasoned education professionals looking for current information and successful methods.

The practical ideas offered throughout can be applied to almost any sexuality education program, and give attention to the needs of learners of a variety of age groups, races, ethnicities, cultural and religious backgrounds, and sexual orientations and gender identities.

Sexuality Education: Theory and Practice, 8th Edition. Cost: \$62.00 includes S&H. Bulk discounts may be available. Order your copy today at <http://drschoe.com/publications/>

What people are saying about the 8th edition...

“Sexuality educators need to keep up with the ever-evolving times. A necessary and excellent resource, *Sexuality Education: Theory and Practice* is incredibly informative, user friendly and thorough.”

— **Cindy Lee Alves**, MEd,
Sexuality Educator, New
London, Connecticut

“A must-have resource for anyone teaching human sexuality that offers relevant historical perspectives, considerations for practice, and practical strategies. Instructors and students can use it as a reference throughout their careers.”

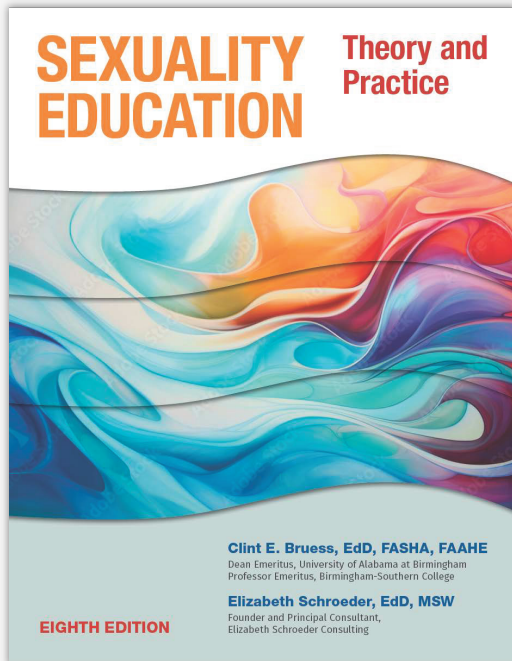

— **Tanya M. Bass**, PhD, CHES,
Instructor, North Carolina
Central University

“As our field evolves, so does language, messaging and delivery that honors the complex reality of our lives and our intersectional identities. This book delivers!”

— **Lisa Schulze**, Education and
Training Director, Women’s Fund
of Omaha

Emphasizing that sexuality education is integral to a comprehensive health education program, *Sexuality Education: Theory and Practice, 8th Edition*, is an essential resource for current and future sexuality educators.

People can't say enough about *Sexuality Education: Theory and Practice, 8th Edition*

“This new edition of *Sexuality Education: Theory and Practice* will go a long way in preparing the next generation of sexuality educators to provide honest, effective and culturally responsive sexuality education.”

— **Debra Hauser**, MPH, President, Advocates for Youth

“Every sexuality educator should read this book. It not only provides topics and activities that reflect contemporary society, but also presents valuable information on traits of effective educators, how to implement and evaluate programs, and how to manage opposition.”

— **William L. Yarber**, HSD, Senior Scientist, The Kinsey Institute Provost Professor, Indiana University School of Public Health, Bloomington

“Finally a textbook for teaching about sexuality education in ways that acknowledge and honor the complexities of human experience. This book truly encompasses holistic approaches and methods, making it a must-have for work with audiences with diverse experiences, identities and needs.”

— **Luca Maurer**, Executive Director for Student Equity, Inclusion and Belonging, Ithaca College

“Successfully interweaves theory and practice, filling a tremendous gap in the field. A must-read for all, from the novice to the seasoned sexuality educator.”

— **Consuelo Bonillas**, PhD, Professor, School of Health & Human Performance, Kean University

“I have been a long-time fan of this book, and the new edition continues to be a much needed resource for educators who teach sexuality-related content. It is particularly great to see a book that is so intentionally inclusive and affirming of transgender individuals.”

— **Eli R. Green**, PhD, Founder, Trans Affirming Training & Consulting

“I used this textbook as a student and now, as a professional, it continues to be my primary go-to source of information when developing program content. It remains a vital resource to my work as a sexuality educator.”

— **Nakisha T. Floyd**, PhD, Associate Director for Racial Justice in Sex Education, Advocates for Youth
