INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Advocates for Youth
Washington, D.C.

Report on the Financial Statements

We have audited the accompanying financial statements of Advocates for Youth (Advocates), which comprise the statement of financial position as of March 31, 2013, and the related statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Advocates as of March 31, 2013, and the change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Advocates' 2012 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 4, 2012. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2012, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Expenditures of Federal Awards on page I-15, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 27, 2013 on our consideration of Advocates' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Advocates' internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2013

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

Advocates for Youth (Advocates) was incorporated in 1980, under the District of Columbia Nonprofit Corporation Act, for the purpose of conducting public education, information and communication programs, with the aim of reducing the incidence of unintended adolescent pregnancy and the spread of HIV infection.

Basis of presentation -

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with FASB ASC 958, *Not-for-Profit Entities*.

The financial statements include certain prior year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with Advocates' financial statements for the year ended March 31, 2012, from which the summarized information was derived.

Cash and cash equivalents -

Advocates considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

Bank deposit accounts are insured by the Federal Deposit Insurance Corporation ("FDIC") up to a limit of \$250,000. At times during the year Advocates maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

Fixed assets -

Furniture and equipment are stated at cost. Furniture and equipment, with costs greater than \$1,000, are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to five years.

Income taxes -

Advocates is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. Advocates is not a private foundation.

Uncertain tax positions -

For the year ended March 31, 2013, Advocates has documented its consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

The Federal Form 990, *Return of Organization Exempt from Income Tax*, is subject to examination by the Internal Revenue Service, generally for three years after it is filed.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION
(Continued)

Inventory -

Inventory consists of publications and other merchandise, which are stated at the lower of cost or market value, using the first-in, first-out basis.

Accounts and grants receivable -

Accounts and grants receivable are stated at their fair value. Management considers all amounts to be fully collectible. Accordingly, an allowance for doubtful accounts has not been established.

Net asset classification -

The net assets are reported in two self-balancing groups as follows:

- **Unrestricted net assets** include unrestricted revenue and contributions received without donor-imposed restrictions. These net assets are available for the operations of Advocates and include both internally designated and undesignated resources.
- **Temporarily restricted net assets** include revenue and contributions subject to donor-imposed stipulations that will be met by the actions of Advocates and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities and Change in Net Assets as net assets released from restrictions.

Contributions and grants -

Contributions and grants are recorded as revenue in the year notification is received from the donor. Restricted grants and contributions are recorded as temporarily restricted and subsequently released from restriction to the extent that expenses have been incurred for the purpose or period specified.

Use of estimates -

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising costs -

Advocates incurs certain costs associated with advertising. Advocates expenses these costs as they are incurred. For the year ended March 31, 2013, advertising expense totaled \$27,751.

4. COMMITMENTS - OPERATING LEASES

Advocates entered into a fifteen-year lease agreement for office space, which expires in August, 2018. The base rent is adjusted annually by an increase in the consumer price index and a pro-rata increase in real estate taxes.

Advocates' operating lease for its office space in Washington, D.C., provided for free rent for the first three months of the lease term. Accounting principles generally accepted in the United States of America require that the total rent commitment should be recognized on a straight-line basis over the term of the lease. Accordingly, the difference between the actual monthly payments and the rent expense being recognized for financial statement purposes is recorded as a deferred rent liability on the Statement of Financial Position. The deferred rent liability for the year ended March 31, 2013 was \$322,205.

Employees are eligible to make voluntary contributions to the plan with pre-tax dollars after completing 90 days of service. The ultimate determination of amounts received under the Federal programs is based upon the allowance of costs reported to and accepted by the government as a result of the audits. Audits in accordance with the provisions of OMB Circular A-133 have been completed for all required fiscal years through 2013. Until such audits have been accepted by the government, there exists a contingency to refund any amount received in excess of allowable costs.
