Sustain

The SEA Institute will bring together staff from all DASH funded SEAs for professional development and peer-to-peer sharing about implementing and sustaining 1308 required activities including: PD practices, policy, exemplary sexual health education (ESHE), sexual health services (SHS) and safe and supportive environments (SSE).

Objectives

- 1) Apply evidence-based practices to support implementation and sustainability of PS13-1308 required activities in ESHE, SHS, SSE, and Policy within priority districts.
- 2) Implement specific action steps to embed sustainability strategies into every professional development (PD) and meeting opportunity held during Years 4-5.
- 3) Continue strengthening connections among SEAs, NGOs, and PLC at ETR colleagues to address challenges and increase capacity to sustain PS13-1308 Strategy 2 activities with priority districts.
